

ISExpress

International School Eastern Seaboard

Dear ISE Community,

January 20, 2012

I hope that you all had a pleasant school holiday. I know that many of you traveled to your homes in many countries around the world. For those of us here in Thailand, the weather cooperated and we had a pleasant break.

New Students

The second semester saw our enrollment increase by 10 new students. We welcome new students in grades Pre-K, 2, 3, 4, 5, 6, 7, 9 and 11. There are a number of students who will visit us in the coming months to enroll in April or next August. I would ask that if any of you know of families moving to the Eastern Seaboard area, you encourage them to come and visit with us at the school. Our current parents are the best marketers for ISE.

MRISA events

I want to let you know that we will have a very active MRISA month coming up. Our high school basketball teams will travel to Cambodia while the MUN group will go to Hanoi for the assembly. We will host the middle school soccer tournament on February 16-19. Please be sure to sign up to house our visiting soccer players from our seven "sister" schools. MRISA could not be a success without our families doing their part.

Thai Studies Trips

Students in grades 6-12 will be departing next week for the annual Thai Studies Trips. The trips will take our students to:

- Grade 6 to Rayong
- Grade 7 to Suphanburi/Ayutthaya
- Grade 8 to Chantaburi
- Grade 9 to Kanchanaburi
- Grade 10 to Koh Chang
- Grade 11 to Chiang Mai/Elephant Sanctuary
- Grade 12 on IB study trip to Rayong

This is a big event for the students as they look forward to the trips. Many thanks to the teachers and staff for chaperoning these trips.

International Day

Please plan to attend on February 1. Information is located in this Express. See you there.

Recruiting

Mrs. Naro and I are interviewing prospective candidates for teaching positions at ISE for August 2012. We will complete the job in the next few weeks and announce our new teachers in the next edition of the Express.

College Fair

We will hold our annual Thai college fair on February 8. All parents for students in grades 9,10 and 11 are invited to attend. Mr. McDermid has written with more information in the Express. Please plan to attend as it is an excellent chance to talk with university admissions officers.

Sincerely,

Robert Brewitt
Superintendent

Dear Parents,

It is hard to believe that we have been back at school for two weeks. I have enjoyed hearing about your family travels over the past two weeks. The students were eager to get back to school and be with their friends. I would like to welcome our new students to the elementary school, Camden Short in PreK4, Bai Fern Natnapapitch in grade 2 and Sean Cooney in grade 4. Please join me in giving them a big welcome to ISE!

ASA's Second Semester

The elementary school after school activities are underway. We have many different offerings this semester and are happy that more students than ever are participating in our after school activity program. Thanks to all parents for being able to sign up online using our Survey Monkey system.

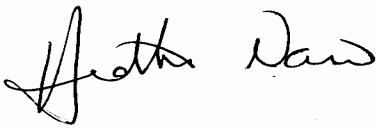

International Day

Mark your calendars for February 1st. International Day is one of the biggest days at ISE. We will share our performances, food and fun. Everyone is welcome! Details have been sent home but if you have any questions, please feel free to contact Mr. Bill Hartz at bhartz@ise.ac.th or myself at hnaro@ise.ac.th.

We have a number of school events coming up, please mark your calendars:

January 27 th	PreK/KG Field Day
January 31 st	Dress Down Day
January 31 st	Birthday Table
February 1 st	International Day
February 6 th and 7 th	No school

Thanks for your continued support of ISE,

Heather Naro
Elementary School Principal

Message from the PTA

Happy New Year to you all. Winter break is now over and I hope that you and your family have had a refreshing holiday.

The PTA Board is now preparing for the upcoming activities that will start with **International Day**. This year the event comes quickly on February 1st and the whole community looks forward to the day. It will be an opportunity for all nations to get together, exchange culture through stage performances and share happy moments at the International Buffet!!! **All families in the ISE community are requested to bring in food at the cafeteria on that day.**

In middle of February on Thursday 16th to Sunday 19th, ISE will host the **MRISA Junior Soccer Tournament**. One Hundred Forty Students from three countries will come to our school and we need houses for them to stay. The coordinators regarding Housing will contact you for this matter so please consider hosting some soccer players at your house. During the game on Friday and Saturday, please drop by to cheer on our ISE teams and enjoy the day. The PTA will have food and drinks for sale during these two days!! **Come enjoy the day with "good game" and "good food" !!**

PTA Cooking Club @ ISE

Since last September, the PTA has organized 6 International Cooking Classes and 2 lessons of Vegetable & Fruit carving which were quite successful. In The Year 2012, the PTA Cooking Club will start the first Cooking Class with Heather Naro, ES Principal, and Leslie May, PTA Secretary!!! The cooking class will take place while SS students are on Thai Study Trips, parents can spend their free time together at school...having fun cooking...and...enjoying the meal!!!

The class will be on Wednesday 25th of January at ES Cooking Lab starting from 9:00am. Class fee, including luncheon, is only Baht 500 for selected menu which is a good price to pay!! **Since we limit the number of participants... please make your booking early!!!**

- Pan seared duck breast
- Caramelized vegetables with feta cheese
- Risotto
- Homemade bread
- Salad
- Dessert

ISE visits The Blessing Home

On December 13th, the 'JUMP' leadership group went to the 'Blessing Home' in Pattaya to deliver donations made by ISE. The kids there were aged from two and a half years to five years. In total the number of kids was forty. Each kid got their own drawing book, crayons, bag, teddy bear, toothbrush and toothpaste. The presents were bought with the money raised in two bake sales. The children performed a show for us as well as playing with the JUMP group. "Many of the kids liked playing with us." said Joey. "When we helped them unwrap their gifts, one child drew with his crayons. Soon, all of them had started drawing too!" said Sai. Maria said, "The experience was great. This felt like something you do once in a lifetime."

Grade 9/10 trip to Rajaprajanugroh Foundation

During the winter break, on December 19th, 2011 the Thai classes of grades 9 and 10 went on a trip to the Rajaprajanugroh Foundation (under the Royal Patronage of His Majesty the King) in Bangkok and delivered a total of 24,374 baht to the foundation. The money was collected with the help of the Grade 9 and 10 Thai classes through previously arranged bake sales and the Family Fun Day event. The total amount of money received from the bake sales was 3,213 baht while 21,161 baht was collected from the Family Fun Day.

His Majesty the King's secretary (seen at the back) was present and personally received the donation.

Students and teachers each received an emblem for participating in this fundraiser.

Grade 5 Making Holiday Cookies

Students in Mr. Hartz's class were able to apply their culinary dessert making skills before winter break when they applied colorful swirls of frosting to holiday cookies. For many students, this was the first time to frost cookies.

Mini Concert at Robinson on Children Day

Last Saturday was National Children Day. Rusty, Meiling, and I went to Robinsons to play in a mini concert. Our show was on the 4th floor of the mall, inside Pacific Hall. There were a lot of people watching us and Khun Gade went there, too. Meiling played piano and Rusty played saxophone. We played a song called *Forever In Love* by Kenny G. Meiling and Rusty played *Can You Feel The Love Tonight* by Elton John.

By Dylan

Grade 9 science students study motion

On Friday, January 13th students in Mr. Constable's 9th grade science class, were given the opportunity to use Vernier Motion Detectors as they learned about the physics of motion. As the devices *click click clicked*, they sent back information to each group's computer, plotting graphs in real time showing distance and speed. Some took the equipment into the hallway to try to find the

maximum range of the detectors (about seven meters), while others designed and conducted experiments with them, rolling balls in front of the sensors for them to pick up.

Model United Nations (MUN)

This past weekend, Saturday 14 January, the ISE MUN club traveled to Ruamrudee International School in Bangkok to attend the biannual RISMUN conference with three other schools. ISE brought a group of 18 delegates from grades 8-12. We had to be at the school at 6 in the morning in order to make it to RIS in time for the conference. The conference was a valuable learning experience for all attendees, and it was quite fun as well. ISE had delegates on all three committees, as well as providing two chairpersons.

The MUN club at ISE is very active. Earlier this year, delegates attended BKKMUN, which was also at RIS, but was a much larger conference than RISMUN. In November, eight delegates made the trip to Singapore for THIMUN Singapore. This is perhaps the best experience that an MUNer can hope to achieve. The delegates are set loose on the city of Singapore, and they engage in some of the most intense debate anyone not involved in real life politics

can experience. Next month, eight ISE Students will attend another significant MUN event hosted by the United Nations International School in Hanoi.

In March, ISE will host ISEMUN. This is the second year ISE will host its own MUN conference. The entire MUN club will attend, and we encourage any students who want to know more about MUN to participate. This will be a fun weekend, and lunch is provided. This delegate strongly encourages all students to contact Mr. Naro about participating in the conference. It will be an unforgettable experience, and everyone will have the opportunity to make new friends.

ISE International Day Cultural Performances

The International Day Committee is still looking for participants to share their talents for the assembly on February 1st. So far, South Korea, Thailand, India, and the USA are represented. What about your country? Please contact Cindy Kohoutek or Bill Hartz for more information. Sign up ends January 20th.

The poster features a blue background with the text "ISE International Day February 1st" in white. Below the date is a list of activities: "Parade of flags", "Cultural shows", and "International buffet". The poster is surrounded by various national flags, including the USA, South Korea, Thailand, India, Canada, and others.

**ISE
International
Day**

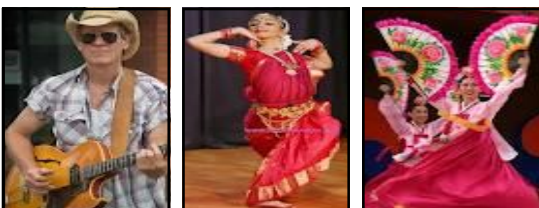

February 1st

- Parade of flags
- Cultural shows
- International buffet

ISE Parents and friends are invited to ISE's International Day Celebration. Begins at 8:15AM.

Flag ceremony begins at 8:15 near gym area.

Cultural performances on outdoor stage

International food buffet

ISE Thai College Fair

ISE's annual Thai College Fair is fast-approaching. On Wednesday February 8th, we are playing host to around twelve Thailand based Colleges and Universities who will come to share information with our High School student population. Although the Fair will be most important for grade 11 who are now starting to plan for their College futures, grades 10 and 9 will also be given the opportunity to visit and talk to the presenters together with any grade 12's who might still have questions. Between them, the Universities offer courses in every imaginable subject and discipline, many of which our students probably don't even know exist at the moment.

We invite parents to tour the displays and talk to the presenters. You may visit with your daughter/son or simply pop in on your own. The visiting teams do like to meet parents as well as students. Arrival and set up will begin around 10 a.m. and we will close a little before 1 p.m. Students in all grades should start to think about questions they should be asking, such as:

1) How do I make an application? What will I need?

- High School transcript?
- Teacher recommendations?
- SAT score?
- IB score?
- High School Grade Point Average (GPA)?
- Exam at the University?
- Interview at the University?

2) Does your College provide student accommodation for Freshers?

3) Is advanced standing or course credit available for IB Diploma students?

4) Are scholarships available for people in my position?

. . . and many more . . .

Regardless of which country students intend to study in, this event creates a valuable opportunity for information gathering and meeting people who have the answers. All information gathered should be kept in a "Personal University File" together with a copy of a Curriculum Vitae (CV) or Resume, which can be in rough handwritten form at this stage. This folder should also contain important documents such as:

- Academic Awards
- Achievement Certificates
- PSAT scores
- SAT scores
- Records (handwritten) of clubs, activities, community service, sports etc undertaken in High School years

We look forward to seeing you on February 8th – Mr. McDermid (Secondary School Coordinator)

Ethics in IB

When students go to school, much of their day seems to be focused on learning different subjects, but education is much more than learning math or English. Learning to behave in an ethical manner is also part of a solid education. School is an excellent venue for considering how one's choices and actions affect others. For those students in the IB diploma program, ethics is addressed in theory and on a practical level.

In the theory of knowledge course students consider such questions as: What are ethics? Do they differ between countries and cultures? Where do values come from? The point is to raise each student's awareness of the ethical implications of his or her decisions. In CAS, students not only consider ethical implications, but also cultivate this awareness by actually doing activities to help make the world a better place.

Even in different subject areas, awareness of ethical issues is raised. For example, in science students can consider the implications that science and technology have on shaping our world and how we live in it. In ITGS, a significant portion of the class is dedicated to understanding the ethical impact of technology on society. In psychology and in the study of literature in language courses, students have the opportunity to look into the minds of people as they make choices and are confronted with moral dilemmas. All of this ethical learning goes a long way in preparing each student to make wise choices as they embark on a life as a global citizen.

Preliminary Scholastic Assessment Test – PSAT

As many of you will recall, our grade 10 and 11 students were joined by some grade 9 students for the PSAT which ISE hosted last October. The results were published in December and sent home on December 16th. Meetings were held with the students in the first school week of January to help everybody understand the information on the PSAT Score Report. Perhaps more importantly, students were also introduced to an amazing online resource which they can access using the Personal Access Code issued to them by CollegeBoard and located at the bottom of the Score Report. Grade 9 students who didn't take the test will have to wait until next year to be able to access this resource.

I encourage all of you as parents to sit with your daughter/son(s) to review the site's content which includes the following information under the heading "My Online Score Report":

- Details of all the questions students got wrong with explanations as to why they were wrong together with correct answers
- Thousands of practice questions for the three sections of Critical Reading, Math and Writing Skills with answers and explanations
- A full practice SAT test with answers

Further sections are titled:

- "My SAT Study Plan"
- "My Personality" (a fun survey which recommends the areas of study that might match their strengths, skills and talents)
- "My Major and Career Matches"
- "My College Matches"

This truly is a wonderful resource which is now available to every test taker and will remain available until each student graduates. The PSAT can be repeated in October 2012 by high school students when scores will doubtless increase, especially if the resource mentioned above is used to good effect. For further information, please do not hesitate to contact me at school.

MRISA JUNIOR FOOTBALL ISE THAILAND - FEBRUARY 2012

Go to: www.collegeboard.org/quickstart to view the content available. All you need is the Online Access Code printed at the bottom of the Student Score Report. Thank you.

Mr. McDermid – Secondary School Coordinator

MRISA Junior Football At ISE February 16-19, 2012

Hosting and Tournament Information

This February, 140 middle school football players will spend 4 days as our guests as ISE takes its turn to host a MRISA sports tournament.

As is MRISA tradition, we need the help of our ISE families to host these students during the event.

All ISE families should by now have received hosting information letters which should be returned by Monday 23 February.

If you haven't already decided to host, it isn't too late. If you wish to host two or more guest students or have any questions about hosting please contact either of the two hosting co-ordinators, Mrs. Nena Meath or Mrs. Leslie May.

Mrs. Meath can be contacted at 281/91 Palanamai # 24, Burapha Golf, M. 4. Tel: 038-372-626, 085-281-2552, nmeath@hotmail.com

Mrs. May can be contacted at 33/24 Grand Regent Pattaya Moo 1. Tel 084-561-5574, lesliejmay@yahoo.com

May I take this opportunity to thank all our host families in advance for their kindness and co-operation. The tournament couldn't happen without you.

Once the football starts, please come down and enjoy it. The schedule is printed in below, so you can plan your day and cheer on our ISE boys and girls teams and also support your guest players.

The ISE PTA is once again kindly providing food and drink refreshments throughout the tournament and the Grade 11 students will also be holding a bake sale in support of the 2012 High School Prom.

So please consider hosting and please come down and enjoy what promises to be a wonderful weekend of MRISA sport and friendship.

Jeremy Lees (Athletic Director)

School Calendar 2012-2013

Please find below the school calendar for the 2012-2013 school years. The calendar maintains our policy of having one holiday each month as well as maintaining the three week winter break.

The first day for K-12 students will be Wednesday, August 15, 2012. The last student day of the year will be Thursday, June 6, 2013. Please note that we will have school until Friday, December 21, 2012 and then have our winter break.
