This week, we extend our heartfelt gratitude to our dedicated parent community - the PTA, for their tireless efforts in organizing a truly special and enjoyable event for our students. It's a day where they can come together with family and friends, breaking away from the usual academic routine. The true measure of appreciation for all the hard work put into this event is the presence of the entire ISE community - parents, students, and teachers alike. We are eagerly looking forward to seeing all of you tomorrow, ready to embrace the fun, laughter, and memorable moments that await. Get ready for an incredible day!

### Family Fun Fair

**November 11<sup>th</sup>, 2023**  
**10.00 am : 3.00 pm**

**LUCKY DRAW, GAMES, PERFORMANCE**  
**SHOPPING & FOOD !**

On Friday 3rd we celebrated last month's assembly. We talk and reflected on the success of our Senior MRISA volleyball players, their commitment and passion to represent the EAGLES! We also introduce the National Honor Society, its benefits, and how to apply for membership. This month's rewards were for most Improved and Achievements in PE, Music & Art along with our Eagle award for the Learner Profile attribute for Inquiry. We introduced a new section: Do you Know your Teachers? where an interesting fact is asked and students try and guess which teacher.

Kindergarten students have been engaging in their unit, "How We Express Ourselves," with a focus on creating, appreciating, and interpreting messages of art. One key concept in this unit is "perspective," and what better way to explore this concept than through the optical illusions of Art in Paradise Pattaya! Students had a great time taking photos with their iPads and exploring the 3D options provided through the Art in Paradise app. From showering under a shark's mouth to balancing on a log over a frightening waterfall, the students were able to learn firsthand that you might see something you didn't see before if you look at it from a different angle!

# Secondary School

## Thai for non Thai

G6  
G7

We are learning how to cook an easy Thai dish using a short amount of time. They decided to make fried noodles. (Pad-see-ew) They helped each other in washing, slicing, frying, tasting and enjoy what they did. Yum Yum!

### Basketball @ Regents School

Yesterday our U13 basketball teams girls and boys, played as visitors at Regents School. Another demonstration of passion and effort during the game. The younger players always showing how much they have improved in this sport.

Let's go EAGLES!

## Glenn Langille

### IBDP Psychology

Glenn Langille is an international educator with nearly three decades of experience in teaching, well-being and mental health, and child welfare. Originally from Halifax, Nova Scotia, Canada, his career has traversed various schools in Canada, Japan, and China.

Currently residing in Thailand with his family—wife, Ms. Mandy, and daughter, Maia—Glenn has embraced the international education landscape. At the International School Eastern Seaboard (ISE), he serves as an IBDP Psychology teacher, bringing a wealth of global perspectives to the school community.

In his role, Glenn not only imparts in-depth knowledge of psychology but also instills critical thinking and empathy in his students. He firmly believes that nurturing students' worldview is as crucial as their actions within it.

Among Glenn's cherished memories at ISE is the strong sense of family he experienced during orientation, where teachers united over breakfast, fostering a warm and supportive community.

In summary, Glenn Langille's illustrious career, international outlook, and dedication as an IBDP Psychology teacher make him an exceptional asset to the ISE family, setting a standard of academic excellence and holistic development.
